# Summary of Benefits

Allwell Medicare (HMO)

*Hamilton, Howard, and Marion counties, Indiana*

H3499-001

Benefits effective January 1, 2018

H3499\_18\_3257SB\_A Accepted 09172017

This booklet provides you with a summary of what we cover and your cost-sharing. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on page 8, and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at <https://allwell.mhsindiana.com>.

You are eligible to enroll in Allwell Medicare (HMO) if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen, or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Allwell Medicare (HMO) service area counties). Our service area includes the following counties in Indiana: Hamilton, Howard, and Marion.
- You do not have end-stage renal disease (ESRD).

The Allwell Medicare (HMO) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider directory or, for an up-to-date list of network providers, visit <https://allwell.mhsindiana.com>. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor Allwell Medicare (HMO) will be responsible for the costs.)

You can see our plan's provider directory at our website at <https://allwell.mhsindiana.com>.

This Allwell Medicare (HMO) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source.
